DATE MAILED:

**Commissioner for Patents**

The reply filed 29 March 2007 is not fully responsive to the prior Office action for the following reasons:

No response to the nonstatutory obviousness-type double patenting rejections on page 4, beginning at line 20 of the 27 December 2006 non-final rejection.

Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY (30) DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
